

EAR-S product information sheet

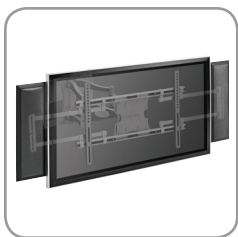

Product Specifications

Supports up to: 20 lbs (9.1 kg) per speaker

Color: Black and Platinum

Product Benefits

- Low profile design allows for flush mounting
- Connects to the UCL-X, UCL-L, G3FP, FSUA, DCM UA and SCM UA
- Adjustable to fit most large/extra large flat panels
- Integrated cable management routes wires
- Easily install without removing flat panel

EAR-S can be easily attached to the mount without needing to remove the flat panel.

Series

EAR-S

EAR-C

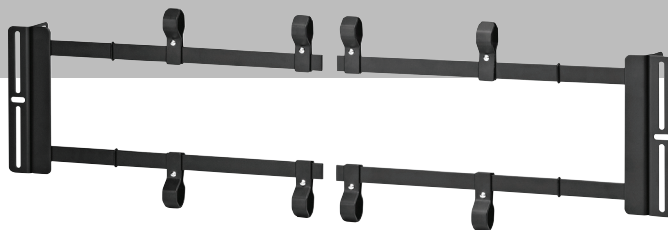

OmniMount, an innovator of A/V mounts and furniture for more than a quarter century is the choice of professional installers and the brand most recommended by flat panel manufacturers. With its low profile design, the EAR-S offers the perfect solution for mounting flat panel stereo speakers flush to the screen. This ideal positioning ensures that sound and video come from the same direction – no matter how the flat panel is positioned.
