Echo 50FPLE

The Limited Edition Echo Series takes 'simplicity at its best' to the next level. Furniture designed to accommodate flat panels and multiple components while still appealing to a minimalist's sense of style - in a new high gloss black finish that complements new high gloss flat panels and components. The Echo 50FPLE is ideal for minimalists and provides an unobstructed view to showcase audio and video accessories for the customer that wants to mount a flat panel where a wall installation isn't preferred or possible - now in a stunning high gloss finish.

The Limited Edition Echo Series features a high gloss black finish and brushed nickel accents, staying true to its simplistic roots, but with an added panache
