

SB1R product information sheet

Product Specifications

Works with: 37ARM, 37HDARM and 4N1-M

Supports up to: 80 lbs (36.3 kg)

Mounting: Double-stud

Color: White

Product Benefits

- Perfect for recessing medium cantilever mounts inside the wall
- Features multiple j-box openings in order to bring in power and signal separately
- Removable bezel to facilitate both rough-in and retro-fit installations
- Paint to match any wall

When used in conjunction with OmniMount cantilevers, these rough-in wall boxes bring flat panels closer to the wall

Series

SB.5R

SB1R

SB2R

Dedicated to being a one-stop shop for professional products, OmniMount remains on the cutting edge of product innovation. That's why we're the natural choice for any professional, industrial or commercial application. The ShadowBox Series™ is a full line of recessed in-wall boxes perfect for any install. The SB1R fits neatly in the wall, offering little to no profile when mounting medium flat panels.
