

EZ-DataLock™ Strain Relief

Lock your cables and take control of your network.

NEW!

PLATINUM TOOLS®

EZ-DataLock™ Strain Relief

Protect and secure your data network 24/7. To be used as a locking strain relief for cables that are NOT to be disconnected! When locked, it will remain so until the 'Key-Holder' unlocks it. Also doubles as a snag-proof strain relief.

Patented Design Prevents...

- Cable disconnects
- Unauthorized access
- Malicious disconnects
- Downtime
- Tampering

Application

Safe and secure networks, large or small, in today's world is top priority and EZ-DataLock applications are endless.

- Data centers
- Medical centers
- Financial institutions
- Government
- Military
- Monitoring devices
- Transit
- Manufacturing

Technical Data

- Patented 'OD-Flex' technology allows for a wide range of cable OD sizes:
 - Maximum cable OD: 6.8mm/0.268"
 - Minimum cable OD: 5.0mm/0.197"
- Materials: Polycarbonate
- UL, RoHS, CSA & CE compliant
