ABOUT CAST LIGHTING

BEAUTY

Solid bronze and copper fixtures – hand crafted by skilled artisans. Aging beautifully, they blend with nature transforming into a statuesque patina.

DURABILITY

Solid bronze bodies and stakes, heavy gauge copper stems, marine-grade tin-coated wire – all designed to last a lifetime – we guarantee it.

INNOVATION

State-of-the-art transformers power the lights – high efficiency, unmatched performance and easy to install and maintain.

AFFORDABILITY

For only a few dollars more than lower quality aluminum fixtures, you can light your home and property with solid bronze and copper fixtures from CAST.

FIXTURES – All CAST fixtures have a lifetime warranty on tops, bodies, stems and stakes.

Path/Area Lights

**China Hat Area/Path Light
(Small and Large)
(CCH1CB, CCH2CB)**

- Small: 22" tall x 7" wide with 8.5" stake
- Large: 24" tall x 9" wide with 13.5" stake
- Uses wedge base 25W krypton halogen lamp (included)

**Mushroom Area/Path Light (Small and Large)
(CMU1CB, CMU2CB)**

- Small: 22" tall x 5.5" wide with 8.5" stake
- Large: 25" tall x 9" wide with 13.5" stake
- Uses wedge base 25W krypton halogen lamp (included)

**New Orleans Area/Path Light
(CNO1CB)**

- 22" tall x 8" wide with 8.5" stake
- Uses wedge base 25W krypton halogen lamp (included)

**Savannah Area/Path Light
(CSA1CB)**

- 23" tall x 8" wide x 6" deep with 13.5" stake
- Uses wedge base 25W krypton halogen lamp (included)

MR-16 Area/Path Light (CBAL1CB)

- 20.5" tall x 10" wide x 3" deep with 13.5" stake
- Uses MR-16 lamp (not included)

All CAST Area/Path Lights have solid bronze tops, bodies and stakes; heavy-gauge copper stems; internal stainless steel hardware with crimped and soldered connections; pre-wired with 25 ft. #16-2 No-Ox[®] marine-grade wire; with Fixture Record Tags[™]

Directional

MR-16 Directional Bullet (CBL1CB)

- Solid bronze body and stake
- 360° adjustable shroud and seamless knuckle for precise light control
- Pre-wired with 25 ft. #16-2 No-Ox® marine grade wire•
- 7.5" tall x 2.5" wide with 8.5" stake
- Uses MR-16 lamp (not included)

Wall Wash

Wall Wash (CWW1CB)

- Solid bronze body and stake, heavy-gauge copper stem
- Pre-wired with 25 ft. #16-2 No-Ox® marine grade wire•
- 7.5" tall x 5" wide with 8.5" stake
- Uses wedge base 25W krypton halogen lamp (included)

Tree Light

Copper Tree Light (CCTL1C)

- Heavy-gauge extra-long copper shroud for maximum light control
- Shroud can be rotated 360°
- Fast-mount solid bronze canopy base
- Pre-wired with 35 ft. #16-2 No-Ox® marine grade wire•
- 10.25" tall x 2.25" wide
- Uses MR-16 lamp (not included)

Deck Light

Deck Light (CDL1CB)

- Solid bronze body
- Mounts on any surface
- Pre-wired with 25 ft. #16-2 No-Ox® marine grade wire•
- 1.75" tall x 3.75" wide
- Uses 10W or 20W bayonet base xenon halogen lamp (included)

Niche Light

Copper Niche Light (CNL1CB)

- Heavy-gauge copper shroud and solid bronze base
- Bracket mounts from side, top or bottom
- Internal reflector
- Pre-wired with 25 ft. #16-2 No-Ox® marine grade wire•
- 3.5" tall x 2.25" wide
- Uses wedge base 25W krypton halogen lamp (included)

CAST offers a full line of fixture accessories, replacement lamps and installation tools.

Well Lights

Bronze Grate

MR-16 Well Light (CWLMR16)

- Solid bronze internal housing and shroud
- Solid bronze ring with curved glass (CWLRL1CB) (included)
- Adjustable stainless steel gimbal ring
- Durable PVC housing
- Pre-wired with 25 ft. #12-2 No-Ox[®] marine grade wire •
- 8" tall x 6.5" wide
- Uses MR-16 lamp (not included)

Bronze Grate (CWLGR1CB) and Ring (CWLRL1CB) fit all CAST Well Lights.

Bronze Ring

Well Light (CWLWFL, CWLWFLLEAD)

- Durable PVC Housing
- Adjustable stainless steel gimbal ring
- Available pre-wired with 25 ft. #16-2 No-Ox[®] marine grade wire (CWLWFL-LEAD) or without lead (CWLWFL)
- 8.25" tall x 5.5" wide
- Uses PAR-36 lamp (included)

Wire

No-Ox[®] Tin-Coated Marine Grade Wire

Spider Splice[®]

No-Ox[®] Tin-Coated Marine Grade Wire

- Tin-coated for corrosion resistance
- 2-strand direct burial
- 500 ft. put up
- Available gauges:
 - #8-2 - CLW82500
 - #10-2 - CLW102500
 - #12-2 - CLW122500
 - #16-2 - CLW162500

No-Ox[®] wire is the ideal wire for use with the CAST Spider Splice[®] (CSS1) installation method.

CAST LIGHTING LIMITED WARRANTY

CAST Lighting warrants its products against defects in material and workmanship. Without charge, CAST Lighting will either repair or replace (CAST Lighting reserves the right to decide between repair or replacement) any properly installed CAST Lighting product which fails under normal operating conditions within the specified warranty period.

The following components have a lifetime warranty:

- Bronze and copper fixtures (bodies, castings, housings, stakes, stems, and lenses)
 - Transformer windings and stainless steel (SS Series) enclosures

The following product has a 25-year warranty:

- No-Ox® Tin-Coated Wire

The following components have a 3-year warranty:

- Transformer electrical components including magnetic circuit breakers, timers and photocells
 - Powder coat steel (PS Series) transformer enclosures
- Fixture electrical components including O-rings and sockets

Lamps carry no warranty.

All products are warranted from the date of invoice, provided it is returned to the factory, transportation prepaid, and our factory inspection determines it to be defective under the terms of the warranty.

This warranty covers only equipment manufactured by CAST Lighting and does not extend to transportation, installation, labor compensation, or replacement charges, nor does it apply to any equipment of another manufacturer used in conjunction with CAST Lighting equipment.

NOTE

All CAST Lighting products are designed to be field repairable by a qualified installer. All service parts are readily available and we encourage field repairs as a significant cost and labor saving can be realized by the installer. All warranted components, as stated in the above warranty, which are installed in the field, will be honored.
