ESSENCE

Frameless Design with Magnetically-Attached Grille

AEF 8 LFT

8" In-Ceiling / In-Wall Subwoofer

Frequency Response: 30Hz - 120Hz

Power Handling: 100 Watts nominal 150 max

Sensitivity: 85dB 1 watt / 1 meter

Impedance: 4 ohms nominal

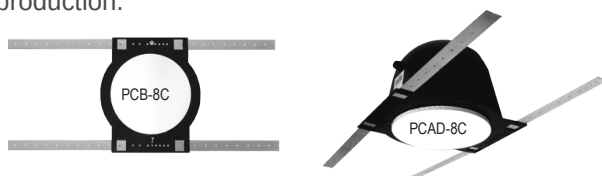

Woofer: 8" Polypropylene Cone, butyl rubber surround

Cut-out dimensions: 8-5/8" round x 3-7/8" deep

Overall dimensions: 9-7/8" diameter

Sold and shipped individually

For superior performance and room integration, we suggest using multiple AEF 8 LFT subwoofers (two, three or four), with one of our 500-Watt, Class A/B, **Model 500 Amplifier**. This is NOT just to create more bass energy, but multiple subs greatly help minimize the low-frequency standing waves in ways a single subwoofer can't do alone. Simply put, multiple subs around the room generate more-uniform bass reproduction.

Optional Pre-Construction Brackets & Vapor Domes

Model 500

Square or Round Frameless Grilles

GRF-8SQ or GFR 8RO
