

The large-format kiosk.

→ Redefined.

Turn to the **only**  
single-source  
solutions provider.

Specifying and having a large-format interactive kiosk built used to be a daunting, time-consuming task. Not anymore. Peerless-AV, the only large-format kiosk integrator, makes it turnkey, cost-efficient and easy with:

- Our **Kiosk Partner Program** that gives you access to a wide range of the industry's best technologies such as displays, media players, software, cameras, content, and more.
- **KioskBuilder™**, our exclusive self-serve online configurator, that allows you to quickly specify your technology requirements.
- An **extensive range of made-in-the-U.S.A. kiosk enclosures** to allow you customization freedom.
- A **dedicated integration area** where we assemble everything into one of our kiosk enclosures.
- **Direct shipment of kiosk(s)** to you or the installation site.

# The perfect large-format kiosk is at hand.

Actually, it's at your fingertips. Our KioskBuilder™ application allows point-and-click configuration that results in a fully integrated, pre-tested custom kiosk that arrives ready-to-install.

We ask. You answer.  
KioskBuilder does the rest.

Just go to [kiosks.peerless-av.com](http://kiosks.peerless-av.com), where the KioskBuilder application will guide you through a simple series of questions such as:

- Will the kiosk be indoors or outdoors?
- Portrait or landscape orientation?
- Free-standing, desktop or wall-mounted?
- What kind of display/touch technology, media player, etc., do you want?

Then, KioskBuilder provides you with options and you make your selections. It's that easy.

Choose from the best names in the business.

We have partner agreements with top-tier technology companies that allow us to get you any high-quality products you need. It also ensures product compatibility for flawless performance for years to come. We work with:
